designer: Daciano da Costa

year: 2004 | edition: 2020 | reediction ETEL: 2024

dimension (W x D x H):  
60cm x 47cm x 69cm

Born in Lisbon, the designer Daciano da Costa was one of the leading figures in the development of the Portuguese modern movement. He opened his own studio in 1959, where he began to develop projects focused on interior architecture, furniture, and design following international references and adapting them to the reality of Portugal. The collaboration with ETEL rescues Daciano's ideas that were fundamental to the history of international design.
